

Needs Assessment & Gap Analysis

How can we help? Mohave Community College's Corporate Outreach office is dedicated to helping businesses and organizations in Mohave County reach their goals through education and training of their personnel, and through proven organizational development.

Corporate Outreach accomplishes this through corporate training programs, organizational development sessions and customized training.

In addition, Corporate Outreach will work with employers to arrange training in skills that are unique to their individual business.

To get started, click on the link below to download the Needs Assessment Survey and have each employee fill out the survey. When the surveys are completed, they can be sent back by e-mail or MCC's office will arrange to pick them up. Corporate Outreach will then complete an analysis, based on the survey results, and supply the analysis to your business along with a training plan.

For a customized Needs Assessment, we recommend that you contact our office by calling toll free 1.866.664.2832 for a free consultation.

Complete the [Needs Assessment Form](#) and e-mail it to training@mohave.edu or call your local MCC campus 928.757.0849.
