

The Bursar's Office is Going Electronic!

Any student enrolled in classes for **credit** at Mohave Community College **may** receive a **1098-T** tax form for their end-of-year tax purposes. Should you be eligible, your 1098-T information will be available to you by January 31 (possibly sooner), and will remain available online for your convenience 24/7 the entire year! **No more waiting on the US Postal service for delivery of mail. If you are with your tax consultant and have forgotten your form, it's no problem.** There's no need to wait on business hours to obtain a copy. Simply follow the easy step by step instructions below:

- Go to <http://mymohave.mohave.edu/>
- Select the **"EX Web (JICS)"** icon
- Select, at the top right-hand corner the **"Login"** feature
- Provide your **"Username"** and **"Password"**
- Select, at the top of the page the **"Students"** tab.
- Select, in the brown box on the left-hand side of the page **"Account & Payment Information"**
- On the right-hand side of that page, you will see **"Go to My 1098-T Info"**
- **Print...Easy as that!**

NOTE: If you're a student that received financial aid and the financial aid was more than tuition billed for the calendar year, you will not be receiving a 1098-T tax form.

If you do not wish to receive an electronic copy, please send an email to the Bursar's office no later than October 31st of current year. All paper forms will be mailed to the address stated within the college administrative system. If you wish to update your information please contact the colleges Registrar's department.
