

Bighorn Card

After registering for classes, new students will receive a Bighorn Card in the mail. The card is the key to selecting the refund preference that best fits your needs. Refunds can be from financial aid, student loans or tuition on a cancelled class.

Mohave Community College has partnered with [BankMobile Disbursements](#) to offer the following refund options:

ELECTRONIC DEPOSIT TO ANOTHER ACCOUNT Money is transferred to another account the same business day BankMobile receives funds from MCC. Typically, it takes 1-2 business days for the receiving bank to credit the money to your account.

ELECTRONIC DEPOSIT TO A BANKMOBILE VIBE ACCOUNT If you open a BankMobile Vibe account (upon identity verification), money is deposited the same business day BankMobile receives the funds from MCC.

If you do not select a refund option, a paper check will be mailed to you within 21 days after the funds are received by BankMobile.

Even though you might not be expecting a refund, the card serves as your Student ID. **Do not throw the card away... you may receive a refund in the future.**

Your Bighorn Card is also your library card. To activate and use your library card, visit the reference desk at your [campus library](#).

If you did not receive your card or if you need a replacement card, please contact the Bursar's Office at 928-757-0816.
